

Surveillance Plus Inc.

The First Annual Open House will take place on October 28th, 2004. Come visit our establishment from 13:00 to 18:00. Hot hors d'oeuvres will be served as well as wine and beverages.

SURVEILLANCE PLUS INC (SPI) INVITES YOU ALL TO THE CHRISTENING OF A NEW CENTRAL STATION.

One month ago, a new central station was born. SPI intended to bring Surveillance to another level that other central stations would have to follow in order to keep up with technological advancements and Dealer demands. Already, thousands of accounts are in the process of transferring to SPI. Through the support that the Security Industry has shown SPI in just one month of operations, we are proud to say that the future looks very promising.

Come visit our 2500 square foot state-of-the-art facilities and see how the "Technology of Today" can place you ahead.

Activities include:

- Get familiar with the one of a kind CRONOS software, which includes Video Monitoring Verification and Alarm management, that offers Video Surveillance on any DVR that follows the industry standards, such as: Capture, National, Pelco, Viewgate, SkyView, Matco, Eagle Eye and Geo Vision.
- Get a demonstration on Satelinx, (GPS tracking of vehicles, parcels and individuals) exclusive to SPI. **You will be amazed!**
- See how our exclusive software "SPI SMART™" can work for you. It is a complete software solution that covers all areas of accounting and invoicing and also gives you 24hr remote access to your clients.
- Meet the SPI Team™; all hand-picked multilingual professionals that you can trust will do their best to serve you and your clients.

These are just some of the services SPI, your Mega Surveillance Central, is offering. Just wait and see what else is in store in the coming months! Gifts and promotional products from ADI, Burtek, Tried, Honeywell and Paradox will also be raffled to the Alarm Dealers.

SPI's new Mega Central station would not have been possible if not for the support of the following industry professionals that will be present at our Open House.

<u>Company</u>	<u>Representatives</u>	<u>Positions</u>
